## 2010 Price List

We have been photographing weddings for 30 years and use a blend of traditional and informal photography to provide you with a collection of beautiful wedding photographs that will capture the atmosphere of your wedding. Working efficiently and with good humour throughout allowing you plenty of time to celebrate with your guests. All our services include our wedding binder containing all the wedding images and is yours to keep. (We have an online option available)

### JADE SERVICE

This service starts with the Brides arrival and we stay with the wedding until you sit down for your meal. The photography will be mainly traditional but informal candid images will be taken throughout. All the images will be shown in our wedding binder. From this binder you make your selection for your wedding album.
